- **Condition:** A condition is imposed when the program substantially meets an Accreditation Standard. The condition specifies the outcome required so the program can meet the Standard and the timeframe in which this action must occur.
- ****Accredited with conditions:** The status applied when the program of study, and the education provider that provides the program of study, substantially meet an approved accreditation standard(s) for the profession and the imposition of conditions on the accreditation will ensure the program meets the Standard(s) within a reasonable time.
